RICS VALUER REGISTRATION SCHEME

- ◆ We are pleased to confirm that with immediate effect, London Clancy has joined the RICS Valuer Registration Scheme, with Mark Clancy FRICS at our Basingstoke Office, Chris Ridge MSc FRICS at our Southampton Office and James Gibb BSc MRICS IRRV at our Camberley Office all successfully becoming RICS Registered Valuers.
- ◆ The new Scheme has been introduced by the RICS to ensure that the highest qualified professionals carry out valuations through a system of regulatory monitoring. Only RICS Registered Valuers will have the authority to carry out a "Red Book" RICS Valuation Standards Valuation after the 30th April 2011.
- ◆ We welcome the opportunity of being part of the new Scheme. Our team of experienced Valuers have always applied the highest professional standards and believe that the new Scheme will assist our clients in recognising the available expertise.
- ◆ For further information with reference to the RICS Valuer Registration Scheme and London Clancy's Valuation Services, please contact
